## About the Company

Diamond Doors is a family run business manufacturing quality, custom bi-fold doors engineered for convenience, innovation, and longevity. We serve the agricultural, aviation, and commercial industries.

Founded in 1998, our company is well established and continues to grow. We recognize the value in long term employees and hope to provide an environment where our staff can grow with us, treating them with dignity, respect, and value.

## Description

This full-time position involves long-distance travel and occasional weekends away from home, with the most weekends, and some weeknights spent at home. The ideal candidate must possess a valid Class 1 driver's license, excellent driving skills, and a good knowledge of traffic laws and safety regulations. In addition, the Driver will also be responsible for maintaining the vehicles in their care and promptly informing any maintenance needs to management.

## Who We Need

### Responsibilities

- Perform daily pre-trips safety checks on vehicles to ensure they are in good working condition before and after each trip,
- Transport doors and goods to designated locations safely and on time,
- Ensure that all necessary paperwork and documentation are in order before a trip,
- Adhere to traffic laws and safety regulations to avoid accidents or incidents,
- Ensure the cleanliness and proper maintenance of vehicles under their care,
- Handle customer grievances and other issues professionally and timely,
- Report any incidents or accidents to the management immediately,
- Report management of maintenance needs promptly.

### Required Skills

- Valid Class 1 Truck Driver license with a clean driving record,
- Good knowledge of traffic laws, safety regulations, and city routes,
- Able to operate various equipment on sites to unload,
- Work experience, excellent driving skills and the ability to navigate unknown routes fluently,
- Good verbal and written communication skills,
- Attention to detail and ability to work independently and under pressure,
- Physical fitness: to lift heavy goods when necessary and be able to unload and reload on your own.
