

ORDERING YOUR BIFOLD DOOR

RESOURCE SHEET

You've requested pricing for your new bifold door - but what comes next? This resource sheet on ordering your bifold door will guide you through the ordering and delivery process to ensure that you know what to expect every step of the way. We also have a [Frequently Asked Questions sheet](#) about the ordering process. However, you can always reach out to us directly at info@diamonddoors.com or toll-free at [\(866\) 325-7600](tel:8663257600). We're always happy to help.

1

GET YOUR PRICING

You can expect to hear back from our sales team within two business days with pricing on your bifold door. This price includes everything you need to install your bifold door and have it fully operational.

2

ASK QUESTIONS

If you have questions about anything included on the quote, our sales team is ready with answers. Give us a call to discuss door features and options in detail, or to make changes to your quote.

3

CONFIRM BUILDING DETAILS

Confirm your building details before we build your door to ensure that it fits properly. Check out the list of building details on the right, or talk to our sales department for assistance. *Finalizing building details? You can confirm your building details after your deposit but before manufacturing.*

4

SEND YOUR DEPOSIT

Diamond Doors requires a 25% deposit on your door purchase before manufacturing. This deposit can be paid by credit card, cheque, or bank transfer. When we receive your deposit, we will put your door on the production list.

5

WE BUILD YOUR DOOR

Diamond Doors builds each door with attention to detail and quality. Our certified welders use techniques approved by the Canadian Welding Bureau and we test each electrical component in-factory before shipping your door.

6

SHIPPING AND LOGISTICS

When your door is ready to ship, our shipping department will contact you to get your exact building location and provide you with a delivery date. We deliver your pre-assembled door where and when you need it.

7

SERVICE AND SATISFACTION

At Diamond Doors, our measure of success is customer satisfaction. If you have questions during installation or at any point in the future, our service team is happy to help.
